

LEISURE POOLS®
SWIMMING IN QUALITY AND STYLE®

Enjoy Your Life of Leisure

There's no better way to create and enjoy a fulfilling leisure lifestyle than to have your own swimming pool. It's a healthy place for kids and their friends to play outdoors without leaving the relative safety of home. A focus for family barbecues and gatherings. A wonderful way to enjoy exercise and achieve a healthier life.

As one of the world's largest composite swimming pool manufacturers, we have developed a stylish and innovative range of swimming pools, in a variety of designs and sizes, with a multitude of features and benefits, so that we can provide you with the ideal Leisure Pools® swimming pool for your home. Coupled with great designs, we use state of the art production processes and superior raw materials, backed by in-house research and impressive stringent quality controls, to ensure that the quality of every Leisure Pools® swimming pool is the very best on the world market.

Leisure Pools® swimming pools are offered through a network of Leisure Pools® retail representatives and independently owned and operated Dealers, who will not only supply you with your desired Leisure Pools® swimming pool, but also undertake the required installation work to get you swimming quickly.

With a Leisure Pools® swimming pool, you'll be "swimming in quality and style" as you begin your journey toward the leisure lifestyle you've always wanted with the confidence and peace of mind that you have chosen a superior product that is supported by the best warranties and the best people.

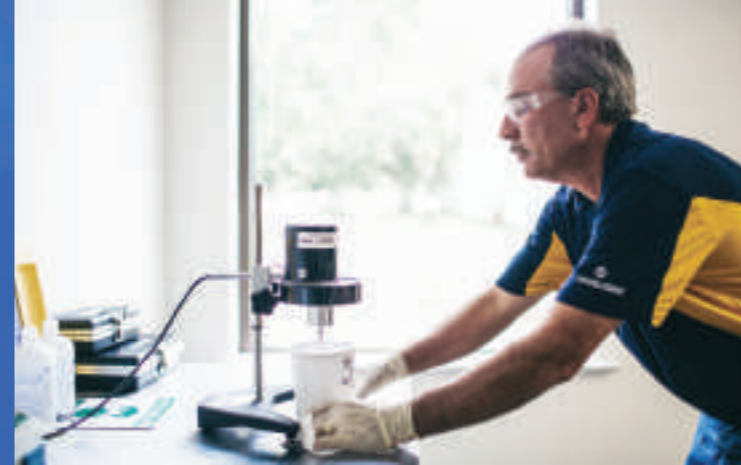

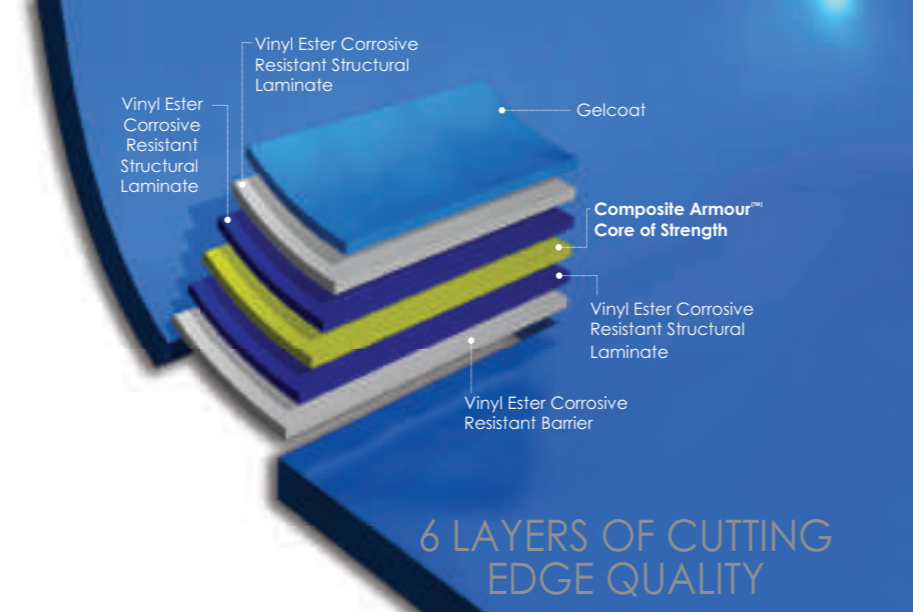

Are you ready to live your Life of Leisure?

“ Leisure Pools® has delivered more than 70,000 high-quality swimming pools to homeowners all around the world. But we know that the most important pool is your pool. You have my commitment to deliver the best possible Leisure Pools® experience to you and your family.” David Pain, President & CEO

Leisure Pools®

Composite Armour™

= Lifetime Warranty

The most important single component in any swimming pool project is the actual pool shell itself. It is essentially the centerpiece for your landscaping and surroundings.

Leisure Pools® has established the highest technological standards within the fiberglass swimming pool industry through the production of the Leisure Pools® Composite Armour™ swimming pool. Every Leisure Pools® swimming pool that leaves our factory is built to this standard. The result is not only the highest quality swimming pool, but one that is supported by the best warranty program in the industry. This includes a Lifetime Structural Warranty* and a Lifetime Structural Osmosis Warranty*, signs of our commitment to you that we have full faith in the product that we have created and that you should, too, when it is delivered to your home.

So why does Leisure Pools® stand out from the rest? It comes down to 3 key elements:

1. **Patented Composite Armour™ Core of Strength**
2. **Patented Vinyl Ester Resin Construction**
3. **Exceptional Quality Control**

Patented Composite Armour™ Core of Strength

This totally new, patented technology we have incorporated into our swimming pool manufacturing is designed to significantly reinforce the swimming pool shell with a strategically integrated laminate, consisting of a blend of DuPont™ Kevlar®, carbon fiber and basalt fiber. We call this our “Core of Strength”.

Each of these high-performance fibers support a variety of applications in cutting-edge technology, but when combined, create the Leisure Pools® patented Composite Armour™, bringing a new level of performance to the production of composite fiberglass swimming pools.

By using Composite Armour™ in the swimming pool shell laminate, Leisure Pools® has been able to achieve tremendous improvements in both flexural and tensile strength compared to other manufacturer’s standard construction of fiberglass swimming pools.

DuPont™ Kevlar® is a registered trademark of DuPont™ **Please see Limited Warranty for details.

Superior Vinyl Ester Resin Construction

Leisure Pools® is the only company to offer a swimming pool that uses the most advanced Vinyl Ester Resin construction, allowing Leisure Pools® to offer the following amazing benefits:

- *Vinyl Ester Resin provides improved structural strength properties over traditional polyester resin therefore enabling Leisure Pools® to offer a stronger swimming pool*
- *By constructing all layers after the gelcoat color with Vinyl Ester Resin, Leisure Pools® is able to offer a Lifetime Structural Osmosis Warranty*

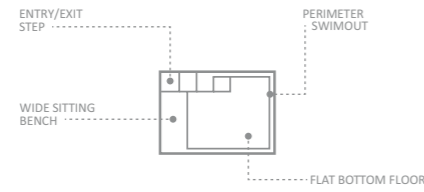

Exceptional Quality Control

- ✓ Leisure Pools® has a Polymer Chemist on staff who manages our Technical Center
- ✓ Leisure Pools® ensures quality of incoming raw materials by batch testing against benchmarked materials using a FTIR Spectrometer
- ✓ Leisure Pools® randomly selects swimming pools manufactured to undertake the following tests: **Flexural and Tensile Strength, Cure Percentage** testing of each layer, **Barcoal Hardness** testing, and random sample **Burn and Boil Testing** of Laminates
- ✓ Leisure Pools® weighs all materials to ensure correct quantities have been applied to each swimming pool
- ✓ Leisure Pools® uses an ultra sonic thickness testing device to measure the swimming pool in multiple key locations to ensure compliance against the Leisure Pools® benchmark

“ At Leisure Pools®, our mission is to improve the lifestyle of families at home, through the enjoyment of our range of innovative and quality swimming pools and associated products. Everything we do reflects this mission and the values that make it possible.” Leisure Pools® Mission Statement

The Fiji Plunge™

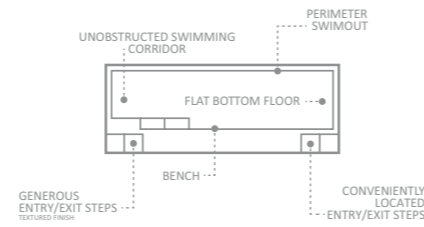

Many homeowners choose to install a plunge pool because of their smaller size, easier maintenance and lower cost of ownership, including reduced water requirements. This compact pool is ideal for adding optional spa jets for all around relaxation.

LENGTH	WIDTH	FLAT BOTTOM DEPTH
9' 6"	6' 11"	4' 5"

The Esprit™

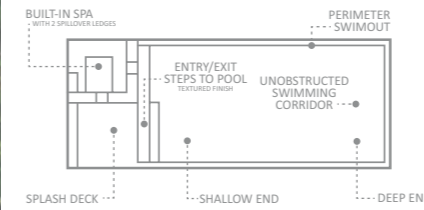

Enjoy the benefits of a full-featured swimming pool even in a small backyard. The generous length allows space to swim and relax on and the flat bottom floor is perfect for playing games.

LENGTH	WIDTH	FLAT BOTTOM DEPTH
18' 8"	7' 5"	4' 5"

The Icon™

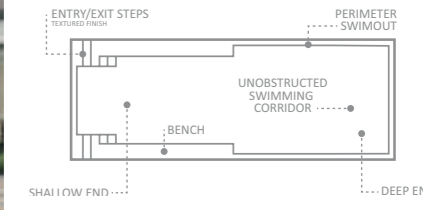

The bold, commanding design of this all-in-one swimming pool combines the popular features of a built-in spillover spa and splash deck with a plunging 8-foot deep end depth.

Note: Deck measures 6'5" x 8'0", 1'8" from base to coping.

LENGTH	WIDTH	SHALLOW	DEEP
40' 0"	15' 5"	4' 5"	8' 0"

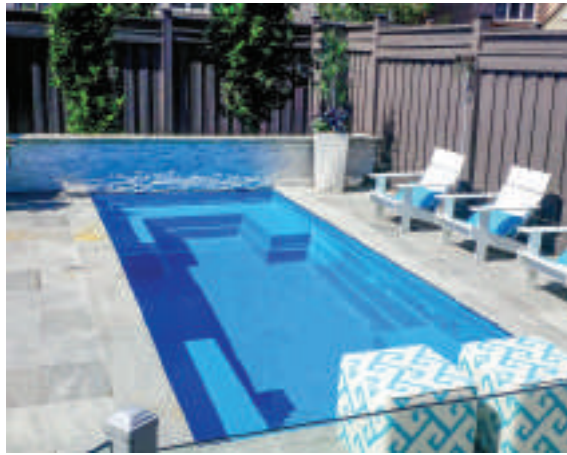

The Infinity™

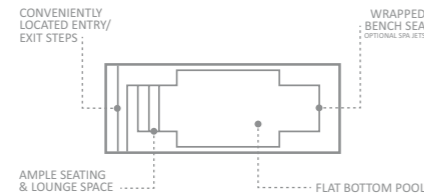

Glide across 40-feet of unobstructed swimming space and plunge through 8-feet of deep end depths. This grand body of water includes spacious seating in all four corners, making it ideal for hosting family gatherings and neighborhood pool parties.
